Re: Membership in AMICC

Dear Mr. Washburn,

I am writing to confirm that The Advocates for Human Rights is interested in becoming a member of AMICC and of the local Minnesota alliance. We look forward to participating in the work of the AMICC in creating an increasingly strong, sustainable and comprehensive relationship between the US and the ICC. We support the work of the AMICC and plan to collaborate with the AMICC efforts to encourage US ratification of the Rome Statute at the right time.

While The Advocates for Human Rights is not able to provide a financial contribution, we look forward to working with the AMICC and with our Minnesota alliance.

Sincerely,
