American NGO Coalition for the International Criminal Court

Dear Mr. Washburn,

The Global Justice Center hereby officially accepts membership with the American NGO Coalition for the ICC (AMICC). We understand and support the coalition's purpose of fostering a relationship between the United States and the International Criminal Court in order to make US ratification of the Rome Statute a practical and attainable objective.

Because the goals of AMICC fit within the mission of the Global Justice Center, which develops innovative strategies to enforce international law, acceptance is at the discretion of the President (me!), who will inform the Board of Directors at their next meeting.

The Global Justice Center looks forward to collaborating with the other members of this very important coalition.

Sincerely,

Janet Benshoof
President, Global Justice Center
