

**FOREIGN RELATIONS AUTHORIZATION ACT, FISCAL YEARS 2002 AND
2003 -- (Extensions of Remarks - May 17, 2001)**

SPEECH OF

HON. C.L. "BUTCH" OTTER

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 16, 2001

I also voted for several amendments that made H.R.1646 a better bill. I joined my colleagues in voting for Mr. Delay's amendment to protect United States servicemen from the clutches of the United Nation's new international Criminal Court . America's service men and women serve our nation under our Constitution, not international bureaucrats under a foreign flag.
